OTLEY NEIGHBOURHOOD PLAN INFORMAL SITES CONSULTATION

The Otley Neighbourhood Plan is being prepared by Otley Town Council through a Steering Group of councillors and local community representatives.

Neighbourhood Plans are a new type of community-led planning document introduced by Government in the 2011 Localism Act. They are part of a raft of new community rights to enable local communities to better shape their places. Once adopted the Otley Plan will form part of the statutory development plan for Leeds and its policies will be used by the City Council to help determine planning applications and by inspectors in deciding appeals.

The Otley Plan is now at an advanced draft stage and contains many policies and proposals relating to individual sites and buildings within the town. If you wish to view the different sites and buildings to which the consultation relates and a summary of the Neighbourhood Plan policy/proposal that is being suggested for a particular site/building please see the table below with the details of where the Consultations will be held.
